LET'S HAVE \$FUN

HOW TO BUY \$FUN

1. Create a wallet

Download Phantom or your wallet of choice from the app store or google play store for free. Desktop users, download the google chrome extension by going to phantom.app.

2. Switch SOL for \$FUN

Have SOL in your wallet to switch to \$FUN. If you don't have any SOL, you can buy directly on Phantom, transfer from another wallet, or buy on another exchange and send it to your wallet.

3. Go to Raydium

Connect to Raydium. Go to raydium.io/swap in google chrome or on the browser inside your Phantom app. Connect your wallet. Paste the \$FUN token address into Raydium, select FUN, and confirm. When Phantom prompts you for a wallet signature, sign.

4. Switch SOL for \$FUN

switch SOL for \$FUN. We have 0 taxes so you need to put 0.5% buying slippage, although you may need to use slippage during times of market volatility.
